TOMSTUDIO BIZ HUB

STANDARD OPERATING PROCEDURES (SOPs) – ALL HUBS

Tomstudio Biz Hub is a multi-service technology and business support center providing training, printing, photography, gadget sales, and technical services. These SOPs standardize operations across all hubs to ensure quality and accountability.

Scope: This document applies to all staff, contractors, and partners operating across Tomstudio Biz Hub locations.

Purpose: To ensure consistency, productivity, job security, and quality service delivery across all Tomstudio hubs.

General Rule (Applies to All Hubs): - Be professional and courteous - Record every transaction - Collect payment before delivery (or agreed advance) - Meet timelines - Escalate issues early

---
